# Designed to protect your appliances

For over 4 decades **LIVPOWER** lived up to the reputation of making reliable products that were designed to work efficiently and last a lifetime. And now we are taking our next quantum leap. Harnessing the learning, insights and experience of four decades to re-design and re-think the working of our products across the various categories that we straddle. With only one goal in mind. To delight our consumers with thoughtfully designed products enabling a better quality of life.

These brand standards and values make **LIVPOWER** the largest selling and most trusted stabilizer brand in India. Features like automatic restart, turn-on delay, time-delay system and high & low voltage cut-off guarantee appliances protection against voltage problems.

**LIVPOWER** Stabilizers come in different sizes, with different capabilities for a wide range of appliances including Inverter Air Conditioners, LED TVs, Refrigerators. Mainline Stabilizers are an additional offering meant for general purposes. The variations in the range of stabilizers address the differing requirements for different appliances.

**LIVPOWER** has a stabilizer for anyone with any kind of appliance. Whatever you are looking for in a stabilizer, **LIVPOWER** is sure to have it.
